

SHE
by Marlow Wyatt
directed by Rondrell McCormick

After receiving an opportunity to attend the prestigious Vanguard Academy, 13-year old SHE is forced to “make her own way” and face the harsh realities of adult life. SHE copes through a world of poetry, and soon discovers that the small town she was so desperate to escape is filled with the very people who give her wings to fly.

Willed Bodies
by Ashley Rose Wellman
directed by Emily Chase

At a Willed Body ceremony – an event where medical students meet the families of medical cadavers – Lydia, an ambitious first-year med student, meets Harrison, the son of the cadaver she is about to dissect. As Lydia cuts deeper and deeper into his father’s body, she and Harrison enter into an unconventional relationship that straddles the line between sweet and horrifying.
