Chekhov x 4

Antaeus Company at New Place Studio Theatre Map

4916 Vineland Ave., North Hollywood

Members of the Antaeus Company strike a Chekhovian pose.

Chekhov's early comic sketches are practically vaudeville routines. In this rich new rendering of four one-acts, the classics-steeped Antaeus Company nails the broad comedy with admirable intimacy and delicacy; it's like cartoon music played by string quartet.
