

The Antaeus Company staging of *Chekhov X 4* sheds a completely new light on Anton Chekhov revealing the author with a sense of humour, wit, and sarcasm – all a far departure from his well-known classics such as *The Cherry Orchard*, *The Seagull*, *Uncle Vanya*, and *The Three Sisters*. With such a group of talented, classically trained ensemble, it should be a sin not to support the Antaeus Company as an audience member, a volunteer, or through monetary gestures.
